Thank you. We also made some changes to the consultation letter to the Tribe and we're hoping Kathleen can sign this letter as well. Hillary will be printing the letter this afternoon.

Here you go....

Hopi Tribe Villages Drinking Water Findings of Violations (FOVs): Region 9 has issued FOVs to four village public water systems (PWSs) located at the Hopi Tribe. The four PWSs exceeded the SDWA arsenic standard, failed to fully monitor and report for arsenic and failed to issue public notices. Region 9 intends to consult with the Hopi Tribe on this matter and we plan to enter into Administrative Orders on Consent with the villages and/or the Hopi Tribe to put the systems on a path towards compliance. Region 9 has been in communication with the Hopi Tribe concerning the arsenic exceedances and at this time alternative water is not being provided to consumers of the four public water systems. (Hecht 7-4266, and Chan 2-3551).
